What's new this Summer/Fall?

- What *isn't* new? Am I right? We've put any contracts for trash on hold, added a 5th zone, yard waste schedule changes, and bulk pick up scheduling changes are a lot!
- We've added another zone. Which means trash and recycling are picked up 5 days a week, so for some, it's picked up on Friday now.
- Yard waste scheduling has reduced to once a month this fall.
- Bulk pick up will now be scheduled for the same day as your trash and recycling pick up.

City of Aberdeen
2021 Trash Collection and Single-stream Recycling Guide

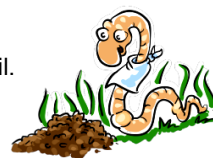

SCARY Facts:

- Landfill space continues to rapidly deplete.
- It takes 500 years for an average size water bottle to fully decompose. Glass bottles take 4,000 years.
- In just one day, Marylanders make enough trash to fill a football field 12 foot high.

Consider home composting

- Adds essential nutrients to soil.
- Healthier plants.
- Reduce landfill space.

Recycling Services

The City collects recycling weekly. All recycling must be placed in a designated Toter for collection. Exceptions that may be left next to the recycling Toter for pick up are large pails, buckets, lawn furniture, toys, coolers and items that are acceptable but are too large to fit in the container.

For a complete list of recyclable items visit, www.aberdeenmd.gov/edocs

The Single-Stream Recycling Program

To minimize health & safety risk please rinse all recycling containers.
